# TO OUR SPONSORS AND DONORS

## Strategic Highlights

We made it another year. Most nonprofit start-ups do not make it through the first year; three years in and we are celebrating. We are growing and doing more as an organization. Our annual Homeless Christmas Project was bigger and better than in 2022 and 2023. 2024 Homeless Christmas Project increased and provided for 150 homeless individuals in New Orleans.

## Financial Highlights

We have been successful in meeting all our financial goals. We are debt-free. Because of you, we keep going higher. We improved our community through our Food Preservation Program to provide meals during our Rosh Hashanah/Awaken Gathering and Passover. We partnered with two grant providers receiving over \$3,000 in funding. Join us this year on January 18, 2025. For more info visit our website.

## Operating Highlights

We partnered with other nonprofits to honor God's word in giving to the poor and less fortunate. This year we have assisted several less fortunate people through our benevolence program.

Thank you for sowing and tithing into the ministry; no words can express our gratitude. Thank you for trusting the God in us to do what Yah has assigned us.

## Looking Ahead

***We are looking forward to expanding our Apostolic Leadership School. We are looking to Yah for greater ministry.***

As we move into 2025, we will begin sponsoring four fundraisers to increase income. We will partner and collaborate with other nonprofits to make a greater impact within our community.

# FINANCIAL SUMMARY

We are most grateful that for each spiritual event we held during the 2024 year, we closed in overflow which allows us to provide for widows and the poor through our benevolence program. We are closed stronger than last year, and we are making greater strides with new partners that can assist us in providing supplies of food below cost.

## BENEVOLENCE

We are so grateful to our donors and sponsors for all that you have given throughout the year, but we are most humble to share that with your donations we were able to be a blessing to the following:

1. Widows
2. Funeral Donations
3. The poor - We were able to provide 150 homeless people with twin-size blankets, gloves, hats, socks, shawls, fruit, water, chips, snacks, body wipes, deodorant wipes, sanitary napkins, person care kits with toothpaste, brush, Listerine mouthwash, and \$10.00 Popeyes' gift cards and a salvation track. We doubled our giving from last year by 25%.

We must be good stewards of the funds Jehovah Jireh provides. We also want to make sure we give back 10% or more.

## Christmas Homeless Project 2024
