TO OUR SUPPORTERS

Strategic Highlights

We made it another year. Most nonprofit start-ups do not make it through the first year. We are growing and doing more as an organization. Our annual Homeless Christmas Project was bigger and better than 2022.

Financial Highlights

We have been successful in meeting all our financial goals and are debt-free. Because of you we keep going higher.

Operating Highlights

We partnered with other nonprofits to honor God's word in giving to the poor and less fortunate. This year we have assisted several less fortunate people through our benevolence program.

Thank you for sowing and tithing into the ministry; there are no words that could ever express our gratitude. Thank you for trusting the God in us to do what Yah has assigned us to do.

We are looking forward to expanding our Apostolic Leadership School. We are looking to Yah for greater ministry.

Looking Ahead

As we move into 2024, we will begin sponsoring four fund raisers to increase income. We will partner and collaborate with other nonprofits to make a greater impact within our community.

FINANCIAL SUMMARY

We are most grateful that for each spiritual event we held during the 2023 year, we closed in overflow which allows us to provide for widows and the poor through our benevolence program.

BENEVOLENCE

We are so grateful to our donors and sponsors for all that you have given throughout the year, but we are most humble to share that with your donations we were able to be a blessing to the following:

1. Widows
2. Funeral Donations
3. The poor - We were able to provide one hundred homeless people with blankets, gloves, hats, socks, and \$10.00 Popeyes' gift cards. We doubled our giving from last year by 50%.

We must be good stewards with the funds Jehovah Jireh provides. We also want to make sure we give back 10% or more.
